Mr Weisberg

I'm mailing you one dollar check for the book. I made a mistake I sent $4.15. which it should have been $5.15 Please Send the book as soon as you get this letter. If you ever come to Dallas you should see Criswell, he and Hinman were in on the actual thing that was said about the President, I know it would be hard to get an interview with him. But I think you should try. He has been real quiet since the President's death, I know some day it will come out. The Austin and Chicago ring true. I think they know some thing.

Sincerely

Mrs Long
